The Magda Danysz gallery is proud to receive a collective international art exhibition INSIGHT from September 6th to October 4th 2014. Insight means the capacity to gain an accurate and deep intuitive understanding of a person or thing. From the exhibition, artists peek through the keyhole that is life and getting us to see things we do not necessarily see in our everyday life.

Insight is an instance of apprehending the true nature of a things, especially through intuitive understand. This exhibition will present artists' collaborations which includes JR, mixes Art and Act, talks about the memory of the city and its inhabits; Huang Rui, major advocates of contemporary Chinese Art, produce work that reflects the concerns of a highly socially engaged artist through satires of reality and references to history; Wang Keping, the wooden sculptures that is both sensual and seductive, exploring and negotiating the possibilities of rendering the female body; Liu Bolin, with his new addition, he continue creates a tension that challenges the viewer to question what is above and beneath the surface; Gael Davrinche, the colour of oil paintings ends up dominate artists visual field, in abstract, the focus only on transition from one color to another; Maleonn, with his boxes from the China tour that involved his theatrical world base on his colorful imagination and his sense of humor, he become the architect of China's memories; Sten Lex, present their study of faces that create best portray at hand etc.

The selected masterpieces from the past year is to look for that reflected the artists' idiosyncratic view of the worlds and life, artists demonstrates the variety of ways in which reveal their unique angle by capturing the best moment of our daily life. At the best time of year, this show emphasized the elements for visitors to keep up with wide range of local and international artists.
